## Firefighters honored for outstanding service

LOUISVILLE, CO, March 24, 2008...Several firefighters will be honored for their actions -- both on-scene and behind the scenes -- during a Louisville Fire Department awards ceremony April 8.

Chief Tim Parker will describe and deliver the awards, which recognize the firefighters for their teamwork, compassion, leadership, commitment and life-saving efforts during the past 12 months.

Some of the awards will go to firefighters for their quick-thinking and skilled response on critical emergency calls that truly made a difference in the lives of customers. Among those calls were the successful delivery of a baby who presented in the breech position and the defibrillation/resuscitation of a patient in cardiac arrest.

Other awards commend the efforts of those volunteers who spent countless hours recruiting and training new firefighters and emergency medical technicians. One award will be presented to a member with 20 years of volunteer service.

The media is invited to attend the ceremony, which will begin at 7 p.m. Tuesday, April 8, at Louisville Station 1, 1240 Main St. The volunteers' monthly meeting will follow the awards presentation.

The Louisville Fire Department provides fire suppression and prevention, rescue and emergency medical services to 25,000 people in Louisville and unincorporated Boulder County. For more information, call 303-666-6595 or visit <http://www.louisvillefire.com>.
