

TO: City of Louisville
Attn: Public Works Department
Craig Duffin, P.E., City Engineer
749 Main Street
Louisville, CO 80027

DATE: _____

I _____ agree to follow the guidelines and procedures of the
COMPANY NAME

American Water Works Association as stated in their AWWA M17 Manual for testing, maintenance and inspection of hydrants. I have in my possession all of the gauges and tools required for testing, maintenance and inspection. The hydrant maintenance contractor shall have experience with the operation and function of potable water distribution system facilities and must demonstrate qualifications for the testing and inspection services performed.

Herewith are 3 references from municipalities or other approved references with a similar scope of work:
