

Fire Pit Regulations

Natural gas propane and fire pits are allowed in the City of Louisville and the requirements and examples are listed below.

- Fire is in an approved container
- Fire is located 15 feet from combustibles or structures
- Flame length is no more than 2 feet high
- The fire is no more than 2 feet in diameter
- No burning of trash, leaves or other yard debris
- Be sensitive to your neighbors in regards to the smoke emission
- **IF WE GET CALLED OUT AND FIND THE FIRE TO BE UNSAFE WE WILL ASK THAT THE FIRE BE EXTING**
