

Name:

Victor Robert Salcido

How long have you lived in or owned property in the District?

21 years – moved into old town Louisville in 2002

What do you consider important needs of the District?

- Ability to protect and serve the needs of the Louisville community (Fire, EMS, Rescue, HazMat, Support)
- Provide outstanding community service
- Develop a strong strategic plan
- Maintain a balanced budget
- Provide adequate funding of department through mill levy
- Develop a strong training program with maximum opportunity for professional development
- Maintain adequate training facilities and equipment
- Wildfire mitigation services and fire protection from new wildland urban interface boundaries

What attributes do you have that will make you a good Board Member?

- Wisdom from experience as a firefighter and lieutenant as well as my engineering profession
- Hard working – willing to go above and beyond the needs of any position
- Emotionally intelligent – can view issues from both a logical and emotional lens
- Reliable – can be counted on to perform required and additional duties
- Passionate – eager and willing to learn

- Critical thinker – make logical and sensible decisions based on best information available
- Ability to connect with members of the department as well as the community

What would you like to accomplish as a Board Member?

While I do not have any specific goals to accomplish as a board member to start, I plan to learn more about the organizational and operational requirements of the Louisville Fire Protection District and assist the chiefs and board reach the best decisions for the future of the department. I have been a part of this community for over 20 years and will continue to be a member so I have a vested interest in helping the department meet the needs of this community.
